

Host Benefits

Free Product: You will receive 10% of the total sales from your party in free product. For instance, if your party sales are \$3,000, you will receive \$300.00 in free product at retail price.

Half Off: The total sales at your party determine how much you will receive in half off merchandise. For example, if your party total is \$3,000, you will receive \$350.00 to spend on products that are half off the retail price. In other words, you only pay \$175.00 for \$350.00 in product. The chart below lists an *abbreviated list* the 50% off discounts you can earn. (Contact me for the entire chart if interested.)

▪ \$400 - \$799	Up to \$100 (retail price)
▪ \$800 - \$1199	Up to \$150 (retail price)
▪ \$1,200 - \$1,599	Up to \$200 (retail price)
▪ \$1,600 - \$1,900	Up to \$250 (retail price)
▪ \$2,000 - \$2,999	Up to \$300 (retail price)
▪ \$3,000 - \$3,999	Up to \$350 (retail price)
▪ \$4,000 - \$4,999	Up to \$400 (retail price), etc.

Let's say that you want to fully maximize your benefits from your party of \$3,000 in sales. When you add your free and half-off benefits, then you can purchase \$650.00 of food (retail value) for only \$175.00, or 27% of the total retail price. Another way of looking at it is you got \$650.00 of food at a discount of 73%.

The Q Club membership ensures that you always receive the best pricing on all Shelf Reliance products. A Platinum membership typically costs \$79.99, with a yearly renewal fee of \$19.99. However, ***you and your guests will receive the Platinum membership for free, for life if you sign up for the THRIVE Q at the party.***

From Guest to Host: If one of your party guests signs up to host their own Shelf Reliance party, you will earn another \$100 (retail) at half off.

Double Dip Promotion: If someone buys product at your party, and also signs up to host their own party, you get the credit at your party, and they get the credit at their party as well. *This motivates guests not to withhold sales from your party since both you and your guest get credit for their purchase.*
